1. Large stones were being used to fill in a section of the shore (approximately N 54-30.5; E 13-38) at Sassnitz Harbor. Oil tanks and possibly a wharf will be placed in the area. Oil lines will be laid from the tanks to the wharves which are now used by the Sea Police for mooring. 25X1
2. Construction work was in progress day and night at another section of Sassnitz Harbor. Some barracks are located at the site. The area was enclosed, lighted at night and guarded by military personnel who were posted within sight of each other. A battery was previously located there. 25X1
